

# Happy Hearts Quilt Block

	<b>12½" unfinished (12" finished)</b>	<b>6½" unfinished (6" finished)</b>	<b>3½" unfinished (3" finished)</b>
<b>4 white squares</b>	2½" square	1¼" square	¾" square
<b>2 red squares</b>	6½" square	3½" square	2" square
<b>1 red square</b>	6⅞" square	3⅞" square	2⅜" square
<b>1 white square</b>	6⅞" square	3⅞" square	2⅜" square

(Can use 2 shades of red in top quadrants and the same two shades opposite in bottom quadrants OR you can use 4 different shades)

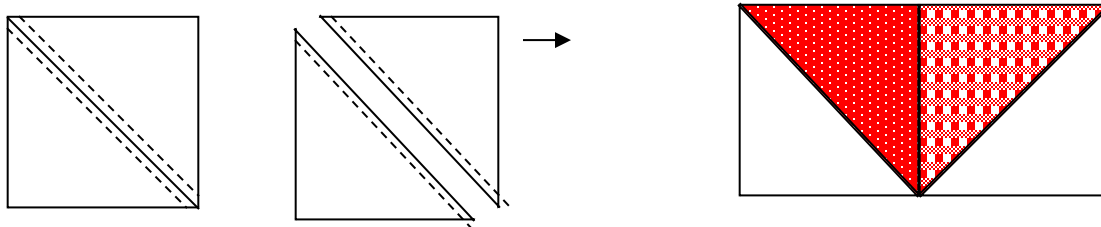

1. With right sides together, place white 2½" squares on the upper corners of the two red 6½" squares. Draw a line from corner to corner as pictured and sew on that line. Then cut off each corner ¼" from seam. Make two.

2. Press one center corner seam up and one down for perfect center points. Sew the two squares together.

3. Place a 6⅞" white square and a 6⅞" red square right sides together and draw a pencil line from corner to corner and sew ¼" on each side of the pencil line. Cut on pencil line. Open and press one toward the dark and one toward the light for perfect points when sewn. Then sew the 2 red/white squares together as pictured. (Make 2 sets of half-square triangles using two different red prints and two white print squares if you plan to have the bottom two half-square triangles different. This will make 4 half-square triangles. Use the extra two squares for the next block.)

4. Press center seam of top half toward right and center seam of bottom half of heart toward left. Then sew together creating a Happy Heart block.
